

# **NFPA 1041 FIRE SERVICE INSTRUCTOR LEVEL 1**

## **NFPA 1041 Fire service Instructor Level 1**

Pre-requisites: Certified Fire Fighter 1 or Equivalent

### **Description:**

**A course designed to train participants to teach a class from a prepared lesson plan. This course introduces the student to the concept of utilizing training aids to enhance his/her presentation, how to properly select these training aids, and how to use the training aid selected. Subject areas for this course include: communication, concepts of learning, methods of teaching, organizing the class, performance evaluations, testing and evaluations, the lesson plan, teaching techniques, and the use of instructional materials. The student will give several presentations during the week, all leading to the final fifteen minute graded presentation.**

### **Goals:**

**The purpose of this course is to specify, in terms of performance objectives, the minimum requirements for professional service as a fire instructor. This course shall cover the requirements for the Fire Instructor I level of progression.**

**Course Duration: 80 hours**

**Class Size: 20**
